

DAYTON DT30

DT30

SEDAN

Get ready to transform the driving experience with the quality assurance of Bridgestone standard and warranty for your peace of mind.

FEATURES

OPTIMISED FOR LONG-LASTING DURABILITY

Square shoulder shape design distributes contact pressure evenly reducing uneven erosion so as to be lasting.

DECKED WITH STYLISH, UNIQUE TYRE PRINTS

Special pattern design enlivens your car's appeal. Good for both inch-up and normal sized tyres.

TIGHTENED FOR WET PERFORMANCE

Directional pattern design and 4 main grooves help hydroplaning resistance in wet road conditions.
