

The ultimate 4WD all terrain tyre, designed and tested to withstand the harshest conditions.

Its proven superior wear life and better resistance to cutting and chipping make it the number one choice for all terrain adventuring. Dueler is tough enough to bring you back.

## KEY DESIGN ELEMENTS

- 1 Reinforced sidewall produces efficient stress distribution and resistance against abrasions and punctures
- 2 Bold and aggressive white lettering, with black lettering on opposite side to match
- 3 2 in 1 combination design seamlessly merges tread with shoulder
- 4 Computer optimised block pattern merges ultra-modern design with high-performance superiority
- 5 Advanced continuous streamlined grooves efficiently channel water outward while providing greater traction and control under wet conditions
- 6 Optimised highs and lows in the shoulder lug innovatively reduces noise and tread wear
- 7 Tough, alternating Semi Stealth grooves provide high stiffness

## EXCELLENT TRACTION & STEERING CONTROL

Designed to give superior road-handling performance whatever the terrain.

## ENHANCED OFF-ROAD STABILITY

Good traction and stability on a variety of terrain.

## SMOOTH RIDE & LOW ROAD NOISE

Optimised tread design dampens road noise and vibrations to deliver a smooth quiet ride.
